Parking and Shuttle Service

Airport Parking

The University has an [agreement](#) with PARK'N FLY, Inc. to provide parking at Ontario airport and other airports at a substantially reduced price.

You will need to apply for a CAP card at [PARK'N FLY](#). Once you have applied, you will receive a packet within 4-6 weeks. The packet will include your CAP membership card. You will need to show the cashier this card as you exit the facility to receive their specially discounted rate.

Program Features of the CAP program include:

- Automatic Frequent Parker Bonus Program Enrollment
- As CAP members you are automatically enrolled in the Frequent Parker Bonus Program.
- On-Line Account Management
- View your parking history, update your profile, check your point totals and redeem points for FREE parking on-line.
- Automatic Frequent Parker Points
- Your parking points will be added automatically to your account.
- Easy Payment Options
- Link a credit card to your membership card.
- Faster Exit Process
- Use our automated EzXit™ lanes to bypass the cashier and check yourself out of the facility.

The attached [Brochure](#) contains University pricing at various airports and contact information.

Any questions regarding this agreement should be directed to [Ana Cotton](#) at 951-827-3005.
